## Organization

University of Belgrade - Faculty of Organizational Sciences  
Jove Ilića 154, Belgrade  
Serbia

## General Themes

We welcome full papers, short papers, and posters addressing the challenges of resilient and intelligent organizations in times of permanent disruption and other related topics. Submissions from academic, research, consulting, industry, intermediary, and policy organizations are encouraged and should focus on the following **general themes**:

- Adaptive Marketing and Strategic Communications in Disruptive Environments
- Applied Software Engineering
- Blockchain Technology in Business and Information Systems
- Challenges of Green and Digital Transformation
- Creativity, Innovation, and Sustainable Management
- Data and Business Analytics
- Designing Organizations for Digitally Transformed Business Ecosystems
- Digital Operations and Logistics Management
- E-Business Ecosystems and Technologies
- Human Resource Management for Building Resilient Employees
- Lean Management and Organization — Purpose, Process, People
- Organizational Strategy and Hybrid Project Management
- Quality Management and Standardization
- Redesigning Finance for Permanent Disruption
- Transformational Potential of Generative AI

There are **several publishing options**. Accepted full papers and short papers will be published in the **Official Springer Conference Proceedings Communications in Computer and Information Science (CCIS)** series.

Accepted posters will be on the **Zenodo platform**, which will have **DOI numbers** and will be openly accessible online.

A number of outstanding contributions will be recommended for extended journal publications. Among them, [Computer Science and Information Systems \(ComSIS, Scimago Q2, IF \(2024\) 1.8\)](#) and [Yugoslav Journal of Operations Research \(Scimago Q3\)](#) will invite authors of top papers to submit extended versions of their work.

Selected papers from different sections will also be proposed for extension, review and publication to the editors of scientific journals ([Management: Journal of Sustainable Business and Management Solutions in Emerging Economies](#), indexed in ERIH+; [InfoM](#) and [Tehnika – Menadžment](#), Serbian national journals).

Yugoslav Journal of Operations Research and Management: Journal of Sustainable Business and Management Solutions in Emerging Economies are also included in the [Academy of Management Community Accelerator Program](#).

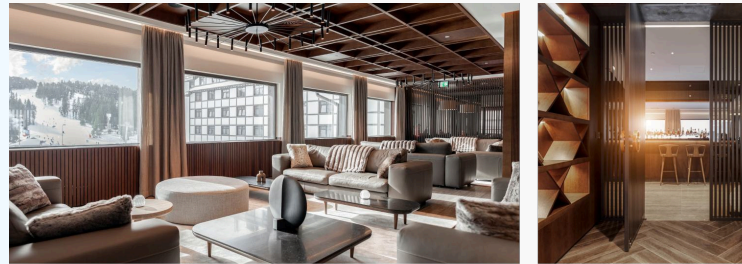

**COMMUNITY
