

20th International Symposium on
Organizational Sciences - SymOrg 2026

Resilient and Intelligent Organizations in Times of Permanent Disruption

June 10-12, 2026
Kopaonik, Serbia

CALL FOR PAPERS

symorg.fon.bg.ac.rs

We are pleased to invite you to participate in the **20th International Symposium SymOrg 2026**, organized by the Faculty of Organizational Sciences, University of Belgrade, which will take place on **Kopaonik, Serbia, from 10 to 12 June 2026**.

The topic of SymOrg 2026 is **“RESILIENT AND INTELLIGENT ORGANIZATIONS IN TIMES OF PERMANENT DISRUPTION”**.

The Symposium will be held in [Hotel Grand, Kopaonik](#).

Important Dates

Deadline for paper submission	April 15
Notification of paper acceptance	May 08
Deadline for early-bird registration	May 15
Deadline for late registration	June 05
Deadline for Doctoral Colloquium application	June 05
Symposium on Kopaonik	June 10-12

The submission will be open from February 23, 2026.

General Themes

We welcome full papers, short papers, and posters addressing the challenges of resilient and intelligent organizations in times of permanent disruption and other related topics. Submissions from academic, research, consulting, industry, intermediary, and policy organizations are encouraged and should focus on the following **general themes**:

- Adaptive Marketing and Strategic Communications in Disruptive Environments
- Applied Software Engineering
- Blockchain Technology in Business and Information Systems
- Challenges of Green and Digital Transformation
- Creativity, Innovation, and Sustainable Management
- Data and Business Analytics
- Designing Organizations for Digitally Transformed Business Ecosystems
- Digital Operations and Logistics Management
- E-Business Ecosystems and Technologies
- Human Resource Management for Building Resilient Employees
- Lean Management and Organization — Purpose, Process, People
- Organizational Strategy and Hybrid Project Management
- Quality Management and Standardization
- Redesigning Finance for Permanent Disruption
- Transformational Potential of Generative AI

There are **several publishing options**. All accepted contributions will be included in the official **Conference Proceedings**, with an ISBN, and will be openly accessible online. The proceedings will be submitted for evaluation and indexing in Scopus, Web of Science (Conference Proceedings Citation Index), Google Scholar, DBLP, and Semantic Scholar.

A number of outstanding contributions will be recommended for extended journal and book series publications, subject to an additional independent review process. Among them, [Lecture Notes in Networks and Systems \(LNNS\) by Springer](#), [Computer Science and Information Systems \(ComSIS, Scimago Q2, IF \(2024\) 1.8\)](#) and [Yugoslav Journal of Operations Research \(Scimago Q3\)](#) will invite authors of top papers to submit extended versions of their work.

Selected papers from different sections will also be proposed for review and publication to the editors of **scientific journals** ([Management: Journal of Sustainable Business and Management Solutions in Emerging Economies](#), indexed in ERIH+; [InfoM](#) and [Tehnika — Menadžment](#), Serbian national journals).
