

20th International Symposium on Organizational Sciences - SymOrg 2026

Resilient and Intelligent Organizations in Times of Permanent Disruption

June 10-12, 2026 | Kopaonik, Serbia

Join SYMORG 2026 — where business meets innovation

We invite you to be part of SYMORG 2026, a leading international conference that brings together academia and industry with the goal of fostering collaboration, knowledge exchange, and business growth.

Key SYMORG 2026 Business Segments

Explore seven dynamic formats designed for knowledge sharing and business networking:

1. International Forum of Organizational Sciences

Theme: Unlocking Regional Potential Through Academia—Industry Collaboration

2. Business Forum

Theme: Resilient and Intelligent Organizations in Times of Permanent Disruption

3. Business Panel

Theme: AI That Delivers: Turning Disruption into Advantage

4. Business Round Table

Theme: Competency-Based Education: The Voice of the Market

5. Business Practice Showcase

Concept: Applied insights into business practices and innovations through a networking poster session

6. Startup Session

Concept: From ideas to impact through startup team presentations assessed by a professional panel

7. Doctoral Colloquium

Concept: PhD Workshop and Research Idea Presentations
