Instruction for the PhD Workshop

This document provides a concise instruction for the preparation of the presentation for the PhD workshop.

Presentation should be created using the SymOrg2024 PPT template. PPT should be written and presented either in English or Serbian language. Duration of the presentation is limited to 12 minutes.

Structure should emphasize the following elements of the talk:

- The topic, scientific field, and the supervisor of the ongoing PhD research
- Relevance of the research
- Current state of the art on the topic
- Literature and research gap
- Aims of the research
- Outlined research questions and hypothesis
- Research methodology (research design, methods and expected contribution to the field of research)
- Potential research crossroads/problems/doubts
- List of references (PhD students are strongly advised to follow APA referencing style - 7th edition - as defined in the SymOrg2024 Paper Template).

The presentation should be sent via e-mail to moderators Dragana Makajić-Nikolić and Veljko Jeremić by June 9th, 2024.

Participation in Doctoral Colloquium activities is free of charge for PhD students.
